Dear Merrill Pres. Church Family,

I wanted to send out this quick update about worship during our current “freeze”. We believe that worship is central to our being, and essential during these times, so we will still be having worship at 9:30am on Sunday, but it will be online only. After much prayer and due to the new guidelines put forth by the Governor of Oregon that limits our attendance, the Session of Merrill Pres. Church has decided to have worship online only during the current “freeze” which includes Sunday, Nov. 22 and Nov. 29. This is done out of care and concern for our church and our community as we participate in trying to halt the spread of the Corona virus and protect those most vulnerable to the virus, along with abiding by State and National guidelines.

You will be able to go to the church Facebook page and join in worship there! As long as technology agrees to work as it should, we will take care of the video portion; all you have to do is go to our church Facebook page about 9:30am on Sunday morning and join us for virtual worship! You will also be able to virtually interact with other members of our church family who are watching at the same time. If you are on Facebook and have not yet ‘liked’ our page, you can easily find us by typing @merrillpc in the search box. If you do not have a Facebook account, it is easy and free to sign up for one. If you are unsure of how to set it up or how to find us, please feel free to contact Pastor Liz or any of the church staff and we will do our best to get you set up and ready to go.

We will begin using our YouTube channel again to post the service sometime after 12pm on Sunday during this “freeze”. Our YouTube channel can be found by clicking on the link from our Facebook page, or you can find it here:

A few things to keep in mind:

- **Prayer Requests** – if you have prayer concerns or praises you would like prayed for please send them to Pastor Liz (PastorLiz@MerrillPC.org) by 12pm on Thursday and we will be more than happy to include them in the prayer time during our online service.
- **Offering** – even though we may not be passing the offering plates on Sunday morning, your offering is still necessary in order to allow us to continue our ministry and continue to pay our bills. Your offering is essential to our work and ministry as we share the good news of Jesus Christ during this difficult time, and cannot wait until we are able to meet again in person. There are several ways you can continue to give to the church:
 - Mail a check to the church (PO Box 276, Merrill, OR 97633).

- If you use online banking, you can use 'Bill Pay' and have your bank send the church a check at no cost to you or the church at whatever amount you would like. You can even set this up to be done automatically.
- Stop by the church on Tuesdays or Thursdays from 9am-12pm or 1pm-3pm and drop off your offering.
- Give online by going to: <https://epc.org/donate/merrillpres/>
- **Helping Others** – If you know someone in our church who may have trouble getting online please offer to help them, or invite them to join you in your home and watch together (with appropriate hand washing and social distancing in place, of course).
- **Wednesday Night Bible Study** – since our Wednesday Night Bible Study attendance falls below the 25-person maximum, we will continue to meet. However, we will not meet on Wed., Nov. 25, after previous scheduled for Thanksgiving.
- This is new for all of us, so there are still bugs that we are working out. Please be patient with us.

Prayerfully we will be back in worship in person on December 6th and to celebrate communion together. However, as we have all experienced over the last few months, this situation can change at a moment's notice. We will continue to pray and monitor the situation and let you know of any other changes that may be coming for the church via e-mail and our Facebook page as soon as we are able.

If you have any question or concerns, please feel free to contact Pastor Liz or any member of the Session at any time.

God bless,

Liz
